

Maine Players Tour & Maine Players Championship Charter (2021)

Welcome to the Maine Players Tour! The MPT is a collaboration of disc golf players with course owners to create a fun yet competitive season of disc golf throughout Maine. Players have volunteered their time and efforts to conceptualize this tour, and many more have joined in to maintain it since its inception in 2007. As the state of disc golf in Maine continues to grow, we will continue to find innovative ways to make each season better than the last.

I. Player Divisions

The following divisions will be offered at all events with both Mixed divisions (Male & Female) and female-only divisions. Divisions that have the letter M in their code are “Mixed” divisions where both males and females may play. Divisions that have the letter F in their code are “Female-only” divisions in which only females may play.

No additional divisions can be added for any event. Players may play in younger, age-based divisions if they wish or if their age-based division is not offered.

<u>Division</u>	<u>Suggested Rating</u>
MPO (Pro Open)	Any
MPM (Pro Masters 40+)	Any
MPG (Pro Grand Masters 50+)	Any
FPO (Pro Women)	Any
FP40 (Pro Women 40+)	Any
MA1 (Advanced/Am 1)	970 or Under
MAM (Advanced Masters 40+)	970 or Under
MAG (Advanced Masters 50+)	970 or Under
FA1 (Advanced Women)	875 or Under
FAM (Advanced Female Masters 40+)	875 or Under
MA2 (Intermediate/Am 2)	875 or Under
FA2 (Intermediate Female)	875 or Under
MA3 (Any Player)	825 or Under

Players are suggested to consult with the TD if they are unsure which division they should be playing in. There are not any rating requirements for divisions, but sandbaggers will not be tolerated by the players.

II. Entry Fees

Entry fees consist of: green fees, tournament payouts, Maine Players Championship (MPC) payouts, optional ace pot, and optional cash CTP.

Green Fees

Green fees are \$10 per person for all regular season events and \$20 for the MPC.

Tournament Payouts

The tournament payout money is added from each player to their respective division's prize pool for that day's event. Below is the tournament payout amount included in the entry fees for each division.

- Pro Divisions: \$25
- Advanced Divisions: \$15
- Intermediate Divisions: \$10
- Recreational (Am3): \$5

Maine Players Championship (MPC) Payouts

MPC payouts are collected from each player at each event to create the prize pool for the tour final, the Maine Players Championship. The cost per division is:

- Pro Divisions: \$5
- Advanced Divisions: \$3
- Intermediate Divisions: \$1
- Recreational and Junior Divisions: None

Optional Buy-ins: Ace Pot and Cash CTP/Baller

CTP (Closest to Pin) and Ace Pot collections are optional. The CTP is \$2 with separate flags for men and women. The optional ace pot is \$5 and there is only one ace pot for all divisions. These options are not included in the standard entry fee.

- Cash will be awarded for the Ace Pot and "Baller" CTP
- Donated CTPs to the MPT are welcome but may not be accepted at all events. Discretion falls to the course owner(s).
- The Ace Pot does not roll over. If an ace is not hit during regular tournament play, there will be a throw off at the end of the event. The closest 3 discs to the pin will split the ace pot equally. If an ace is hit during the throw off, that player(s) will win the entire pot. Playoff aces do not count towards the ace pot.

The total cost for a player at an event is: Green Fees + Tournament Payouts + MPC Payouts + Optional Ace Pot + Optional Cash CTP

Pro Divisions: \$40*

Advanced Divisions: \$28*

Intermediate Divisions: \$21*

Recreational Division: \$15*

*does not include optional ace pot or cash CTP

III. TD Responsibilities

Tournament Directors are the essential link between players, courses and events. TDing an event involves proper planning and execution. Below are the basic guidelines for TDing an event.

Prior to Event

- Finalize starting holes and payouts
- Email virtual player's meeting and post in the Facebook Event page

Materials needed

- Scoreport (two if there are two courses)
- Scoreport cards (supplied by the MPT)
- TD packet in your possession or at the course (supplied by the MPT)
 - The pre-registration list and monies will be sent the Monday before your event
- Cash bank of \$50 with 1's and 5's (optional, but recommended)
 - Due to COVID-19 restrictions for 2021, all events will be pre-registration only. A cash box is only needed if you are offering the option to collect ace pot money the day of.
- CTP flags for Baller CTP and any additional CTPs
- Envelopes (if doing day of payouts)

Event capacity

- Attendance will be limited to the course capacity and not exceed 5 players per hole.

During the Event

- Scoring and Hole Assignments
 - Note: Many hands make light work – ask for player volunteers*
 - Responsible for verifying all player scores after each round. A 2-stroke penalty is added to any player's score that is incorrect. Correct score + 2 strokes.
 - Add individual round scores and total tournament scores on scoreport cards
 - **Note aces on the scoreport cards so they're visible in the post-event photos.**
 - Make hole assignments for each round
 - Write up scorecards for each round
- Manage payouts
 - Best to do this during lunch if not already completed before the event.
 - Payouts go to top 1/3 of Pro divisions, top 40% to Am 1 division and top 50% to all other divisions.
 - The full payout schedule is located in the TD packet.
- Deliver MPC fees
 - \$5 from each Pro, \$3 Advanced, \$1 Intermediate
 - **Deliver to the designated MPC \$\$\$ holder at the event (Jason Toothaker or Caleb Biggers) or send to Caleb Biggers via PayPal no later than 1 week after the event. PayPal: cpbiggers@yahoo.com**

After the Event

- Clear photos of the scoreport must be taken and uploaded to the Facebook group: MPT Live Scoring and sent to Caleb Biggers and Jason Toothaker via FB messenger or email. cpbiggers@gmail.com.
- TDs must fill out the TD worksheet and send that information back to Caleb Biggers via email within 48 hours of the event ending.

IV. Player Responsibilities

- All events are pre-registration only. Players must pre-register and responsible for notifying the TD before the add/drop date for a full refund.
- Check-in and register on time – deadline is 30 minutes prior to tee time.
- Be responsible for knowing the details in the virtual player's meeting before round one.
- Ensure safety. 1 warning* (max) will be given to a player putting another player's wellbeing at risk before a disqualification from the tournament. (*Warnings are only an option, TD may disqualify upon first instance at his/her discretion)
- Scorecards must be filled out with the number of strokes taken on each hole, including penalties, and totaled before being turned in to the TD. An incorrect score on a turned in scorecard will result in a two-stroke penalty added to the correct score for that player.
- Understand the rules of play. All events will follow the PDGA rules of play. If there is a question on the card, play out the scenario and see the TD before turning the card in. 2-meter rule is not in effect unless specified specifically by the course in the player's meeting.

V. Championship Qualification Points

- Players earn points at each event they attend for the division they participate in. A player's points will be totaled together after each event with his/her points prior to the event. Points are division-specific and do not transfer across divisions. Standings will be kept and posted after each event.
- One point is awarded to last place. One additional point is awarded for each place ahead of last place. For example, if there are 5 players, they are awarded 5, 4, 3, 2, and 1 point for places first through last, respectively.
- The top three players in each division will be awarded bonus points: 1st place: 10 bonus points, 2nd place: 5 bonus points, 3rd place: 3 bonus points.
- 3 bonus points will go to any player for an ace during an event.
- Ties and playoffs: If a tie occurs for 1st place in a division, a playoff should occur. All other ties would split cash and points.
- The top 4 players in each Pro division in season points prior to the MPCs will be awarded with a cash prize totaling 25% of the Pro MPC fees collected throughout the season. Payouts from that 25% of fees for each Pro division breakdown is as follows: 40% to first, 30% to second, 20% to third and 10% to fourth. This money will be paid out at the Players Meeting at the start of the Maine Players Championship.
 - If any Pro division has less than 10 players who have qualified for the Maine Players Championship, only first place in points will be paid out at 40% of 25% of the season total.
 - Advanced, Intermediate and Recreational divisions will not receive cash for season points.

VI. Qualifying for the Maine Players Championship (MPC)

- A player must compete in a minimum of 4 tour events and finish the season in the top 50% in points for their division. This rule applies to both men and women. Any player competing in a division with less than 10 unique players in that division for the year, will automatically qualify for MPCs by competing in 4 events.

- Winning an individual event in the regular season does not automatically qualify a player for the MPC.
- If you qualify for more than one division, you must play in the higher division you have qualified for. Your points will not transfer to another division.

VII. Frequently Asked Questions (FAQs)

1. Why does the Maine Players Tour pay out cash to all divisions?

Contrary to the PDGA standards, the MPT pays all divisions for simple reasons: keeping it simple. This concept eliminates the need for TDs to find alternative prizes and solves the controversial issues with value. Less problems = more fun.

2. What is the MPC payout money for? Where does it go?

MPC payout money is collected at all events leading up to the Maine Players Championship, and at the end of the season it goes back to the players in the Maine Players Championship payouts. For pro divisions only, 25% of the MPC payout money is awarded to the top season point earners (details in section V.)

3. Why must I pre-register for events? Will there be room if I just show up the day of?

Due to the gathering restrictions put in place with the current pandemic, all events will be pre-registration only.

4. Can I TD an event and sanction the Pro divisions only?

No. MPTs cannot be sanctioned for any division

5. How can I run an MPT event at my course?

MPT events will be scheduled every year between Jan 1st and Jan 31st. Events cannot be held on the same date as other MPTs and each course must provide their own TD team to run the event. Email or direct message Caleb Biggers to pick an event date during the month of January.
